January 23, 2013

Contents

1 Task

Short report, 1-3 pages per project plus performance plots (1-5 pages)
Discuss:

- What you have done

- How you tested (main cases, problems)

- What you've not done

- What you intend to show

2 Projects with OpenMP

2.1 Recursive Implementation

2.2 ...

2.3 Hillis-Steele Implementation

3 Projects with cilk

4 Projects with MPI
